

# The Archdiocese of Liverpool Schools Awards 2018 in association with...

## Welcome

Tim Warren,  
Diocesan Director of Schools and Colleges

It gives me great pleasure to launch this year's Archdiocese Awards. I would like to take this opportunity to urge schools to participate in the Archdiocesan Awards this year. They enable us to highlight and applaud much of the excellent work that goes on in our schools and bring together a huge portfolio of good practice to share with each other. Last year's awards lunch event was one of the most joyful I can remember. We have great cause to celebrate the talent across the Archdiocesan schools and this event will allow Catholic schools to celebrate the things that our schools value rather than our ability to meet the expectations of an OFSTED centred school system. I'm sure we will all be immensely proud of the entries submitted.

## AT THE ROYAL LIVER BUILDING

The event will take place at Liverpool's Royal Liver Building.

### FACTS:

Construction began on the Royal Liver Building in 1907

Before installation, FORTY Royal Liver Executives and Civic Dignitaries held a special dinner, with one of the clock faces used as a dining table.

Designed as an office for the 6,000 employees of the Royal Liver Group

One of the first major structures in the world to be built from reinforced concrete, a concept that was used for many of the skyscrapers of New York and Chicago.

The four clock faces on the building are the biggest in the UK

In 1953 electric chimes were added to the clocks in memory of Royal Liver staff that had been killed in the two world wars

The two Liver birds are 18ft tall and called Bella and Bertie

The clocks were started on 22nd June 1911 at 1.40pm, the precise time George V was crowned

Grade 1 listed building

Designed by Walter Aubrey Thomas

Building opened 19 July 1911

The University places great emphasis on top-quality teaching, facilitated by a community of academics and scholars who are of the highest calibre.

Liverpool Hope recently achieved Gold status in the government's Teaching Excellence Framework (TEF), which measures excellence in teaching quality, learning environment, and student outcomes. Around 1 in 5 of UK higher education providers achieved Gold and Liverpool Hope is one of only three universities in the North West, and the only one in Liverpool, to gain the Gold rating.

Liverpool Hope has two main teaching campuses. Hope Park is situated in a leafy suburb of Liverpool and is a mini educational village. The Creative Campus in Liverpool city centre is the home to our creative and performing arts subjects. Both campuses have seen major investment over the last six years, with a new Health Sciences Building and Sports Complex the most recent additions to the campuses.

The University has a reputation as one of the best teacher training establishments in the UK, and is privileged to work in partnership with several hundred schools across the region. School colleagues from class teachers to senior school managers, take an active role in Liverpool Hope's teaching programme.
