## Welcome

Tim Warren,  
Diocesan Director of Schools and Colleges

It gives me great pleasure to launch this year's Archdiocesan Awards. This will be the 3rd year we have hosted such an event and I'm hopeful it will be even more successful than last year when we received more than 160 nominations, which was double the number of entries we received in our first year. I would like to take this opportunity to urge schools to participate in the Archdiocesan Awards this year so that hopefully we can look forward to receiving even more nominations this year! They enable us to highlight and applaud much of the excellent work that goes on in our schools and bring together a huge portfolio of good practice to share with each other. Both the previous year's awards lunch events were the most joyful events I can remember in my 30+ years in Education. If your school nominates, and is shortlisted, 3 representatives of your school will be able to experience such joy in the 2019 event. We have great cause to celebrate the talent across the Archdiocesan schools and this event will allow Catholic schools to celebrate the things that our schools value rather than our ability to meet the expectations of an OFSTED centred school system. I'm sure we will all be immensely proud of the entries submitted.

**The Archdiocese of Liverpool Schools Awards  
Lunch to be held on Tuesday 21st May 2019.**

# The Venue

## AT THE ROYAL LIVER BUILDING

The event will take place at Liverpool's Royal Liver Building.

### FACTS:

Construction began on the Royal Liver Building in 1907

Before installation on FORTY Royal Liver Executives and Civic Dignitaries held a special dinner, with one of the clock faces used as a dining table.

Designed as an office for the 6,000 employees of the Royal Liver Group

One of the first major structures in the world to be built from reinforced concrete. a concept that was used for many of the skyscrapers of New York and Chicago.

The four clock faces on the building are the biggest in the UK

In 1953 electric chimes were added to the clocks in memory of Royal Liver staff that had been killed in the two world wars

The two Liver birds are 18ft tall and called Bella and Bertie

The clocks were started on 22nd June 1911 at 1.40pm, the precise time George V was crowned

Grade 1 listed building

Designed by Walter Aubrey Thomas

Building opened 19 July 1911

# Host

## LEANNE CAMPBELL, RADIO CITY

Leanne Campbell is a successful example of an Archdiocese school pupil who has achieved great success as a Radio Presenter. We are delighted that she will host our awards ceremony in 2019.

Leanne currently presents for Radio City's breakfast show and has done so for over 10 years in Liverpool.

She was quickly noticed and headhunted for radio whilst playing Fairy Liquid in the pantomime production 'Snow White' in 2004.

Since then she has gone on to land such roles as Annie at Liverpool Playhouse, and Helen Forester in Twopence to cross the Mersey at the Liverpool Empire.

Leanne has been gifted a 'Scouseology' award for Top Theatre Personality and Best New Talent category.

She recently played Tinkerbell at the Echo Arena Liverpool and is currently rehearsing ahead of Achy Breaky Heart, the musical's premier in Liverpool.

LIVERPOOL  
HOPE  
UNIVERSITY

1844

# TRAINING TOMORROW'S TEACHERS SINCE 1844

Almost 175 years since our founding college welcomed its first aspiring teachers, Liverpool Hope University remains one of the best teacher training establishments in the UK.

We are privileged to work in partnership with several hundred schools across the region, with school colleagues taking an active role in Liverpool Hope's teaching programme.

Now a gold-standard university, Liverpool Hope boasts one of the best employment rates in the UK. Latest figures from the Destinations of Leavers from Higher Education (DLHE) survey found **98.1 per cent of our graduates were in employment or further education six months after graduating**. This places the University **top 2 in the UK and 1st in England for graduate employment**.

Liverpool Hope is also one of only three universities in the North West to have achieved Gold status in the government's Teaching Excellence Framework (TEF). The framework

measures excellence in teaching quality, learning environment and student outcomes. Just 1 in 5 UK higher education providers achieved Gold.

## PROFESSIONAL DEVELOPMENT

As well as offering a wide variety of undergraduate and postgraduate courses, our Faculty of Education has an extensive range of Continuing Professional Development (CPD) opportunities. These are accredited by a range of nationally and internationally recognised bodies.

All CPD courses are practice based and impact driven, in order to support high-quality teaching, and learning and school improvement practices. Courses are tailored to the needs of clients, offering flexible learning options depending on the needs of each organisation or individual.
